

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 2006-349-T - ORDER NO. 2007-160
MARCH 9, 2007

IN RE: Application of Roeder & Moore, LLC d/b/a) ORDER APPROVING
Two Men and a Truck of Charlotte and Two) RATE INCREASE
Men and a Truck of Rock Hill, 330 Yorkshire)
Drive, Charlotte, North Carolina 28217 for a)
Rate Increase.)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the amended application, filed December 27, 2006, of Roeder & Moore, LLC d/b/a Two Men and a Truck of Charlotte and Two Men and a Truck of Rock Hill (Roeder & Moore or the Company) for a rate increase, pursuant to 26 S.C. Code Ann. Regs. 103-190, et seq. Roeder & Moore presently holds a Class E Certificate of Public Convenience and Necessity to transport household goods.

The requested rate increase is as follows:

	Current Rates Per Hour	Proposed Rates Per Hour
Rate per two movers, residential	\$ 85.00	\$ 98.50
Rate per three movers, residential	\$105.00	\$122.10
Each additional mover	\$ 20.00	\$ 23.60

Upon receipt of Roeder & Moore's amended application, the Commission's Docketing Department instructed the Company to publish, one time, a Notice of Filing in newspapers of general circulation in the areas of the state affected by the Application. The purpose of the Notice of Filing was to inform interested parties of the Application of

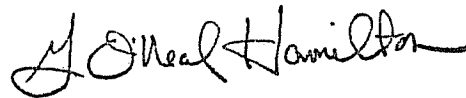

Roeder & Moore and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. The Company complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No protests or Petitions to Intervene were received.

The South Carolina Office of Regulatory Staff (ORS) conducted an impact study in response to the amended application of Roeder & Moore. On February 23, 2007, the ORS filed its audit report with the Commission. ORS advises in its report that Roeder & Moore currently has an operating ratio of 115% on regulated revenue and that the requested tariff increase would result in a revised operating ratio of 100% with additional revenue of \$18,052.

We have considered the amended application and the ORS impact study and have concluded that the increase proposed by Roeder & Moore is just and reasonable. Accordingly, the amended application for a rate increase of Roeder & Moore is approved as filed.

This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

G. O'Neal Hamilton, Chairman

ATTEST:

C. Robert Moseley, Vice Chairman

(SEAL)
